JFN-MATCH Membership Questionnaire

Please complete all of the fields of this JFN-MATCH membership questionnaire. All information provided will be kept confidential and will be used to guide us in our programming and to help donors in their own strategic philanthropy.

Participation in a JFN matching grants initiative is a benefit of membership.

If a donor is new to JFN, the MATCH partners have offered to provide a gift of one year of JFN membership as a benefit of participation in the MATCH program.

MATCH membership entitles the new JFN members to an array of JFN benefits, including eligibility for matching grants for a first-time day school grant; access to the Members Only website and JFN Connect, JFN's networking tool; reduced fees on select JFN events; JFN's newsletter and publications.

MATCH membership is only available for the day school donor and not for any additional family members and does not entitle the donor to participate in other JFN matching grants initiatives. MATCH donors who wish to upgrade their MATCH membership for participation in future matching grants initiatives will be offered the opportunity to do so at a reduced fee.

MATCH membership, as a gift from the MATCH partners, is only available to donors who are new to the Jewish Funders Network. Donors who have previously been members of JFN but have allowed their membership to lapse must renew in order to be eligible for the matching grants initiative. membership application.

Once we receive your MATCH application and questionnaire, it will be reviewed by JFN staff and someone will contact you to welcome you to JFN membership and to learn more about your philanthropic interests.
