

Matching First-Time Gifts to Jewish Day Schools

**SECTION 4 DONOR ELIGIBILITY STATEMENT**

To be completed by the donor. Family Foundations should complete the Foundation Eligibility Statement.

Please print clearly and complete all questions.

I/we, \_\_\_\_\_, am/are intending to make a gift in the amount of \$ \_\_\_\_\_ to \_\_\_\_\_ [name of day school].

I/we understand that the submission of a completed eligible application does not guarantee matching funds and that grants will be awarded on a rolling basis according to the order in which fully completed applications are submitted until the \$50,000 per school matching fund is expended.

This statement does not obligate me/us to make this gift. If my gift is awarded matching funds, I have until December 31, 2016 to make my gift in order for the school to receive matching funds.

Please **initial** next to one of the two statements below attesting to the accuracy of the statement.

\_\_\_\_\_ This is the first philanthropic gift I/we have EVER made to ANY Jewish day school or day school education project.

\_\_\_\_\_ This current proposed gift is at least five times greater than my largest previous gift to ANY Jewish day school or day school education project in the past three years.

Please note that previous largest gift is calculated based upon a donor's largest previous individual gift or pledge OR the largest cumulative amount of giving to Jewish day schools in a fiscal year, whichever is the higher amount. Past pledges to a Jewish day school that were paid as multi-year gifts will be considered as the sum total of the pledge and not the amount of the gift paid in each year.

Please **initial** attesting to the accuracy of the statements below.

\_\_\_\_\_ This gift is being made by an individual, couple, or foundation, and is not being made in collaboration with any other funders such as siblings, parents and adult children, friends, business partners or any other independent donors.

\_\_\_\_\_ This gift will be for general operating expenses, program expenses, or endowment and will not be designated for a capital project.

\_\_\_\_\_ I/we will receive no tuition benefits from this gift.
